## STUDENT COUNCIL AND BUDGET COMMITTEE GENERATE LEADERSHIP AND SCHOOL UNITY

With Craig Bell at the head of student leadership, we made this the best year P.H.S. has ever had. The Student Council, with representatives from each club or organization, has sponsored many activities and fundraisers.

The Budget Committee has really helped keep P.H.S. in the clear financially by maintaining a tight grip on the school pursestrings. They have worked hard and have done their job well.

# DEDICATION TO SENIORS

The Preston High Senior Class of 1981 has been a perfect example of our theme "Unity Achieves Triumph." We have gone through a lot to achieve this goal.

Through Elementary School — the alphabet, finger-painting, and jump rope.

Through new schools — Central, to Whitney and Franklin, and finally, to Oakwood.

Through Little League sports, skinned knees, kiss tag, and puppy love.

Through all the tears, joys, pains, and triumphs that made up those first six important years of our lives. Then it was on to the Jefferson Middle School, where we experienced many new trials we had to go through.

Through the in-between years — where we were too old to play "little kid" games, but too young to go to a PG movie without our parents.

Through junior high sports, which strengthened our feelings of school spirit, team unity, and sportsmanship, not to mention the disappointment of losing a game or getting cut from the team.

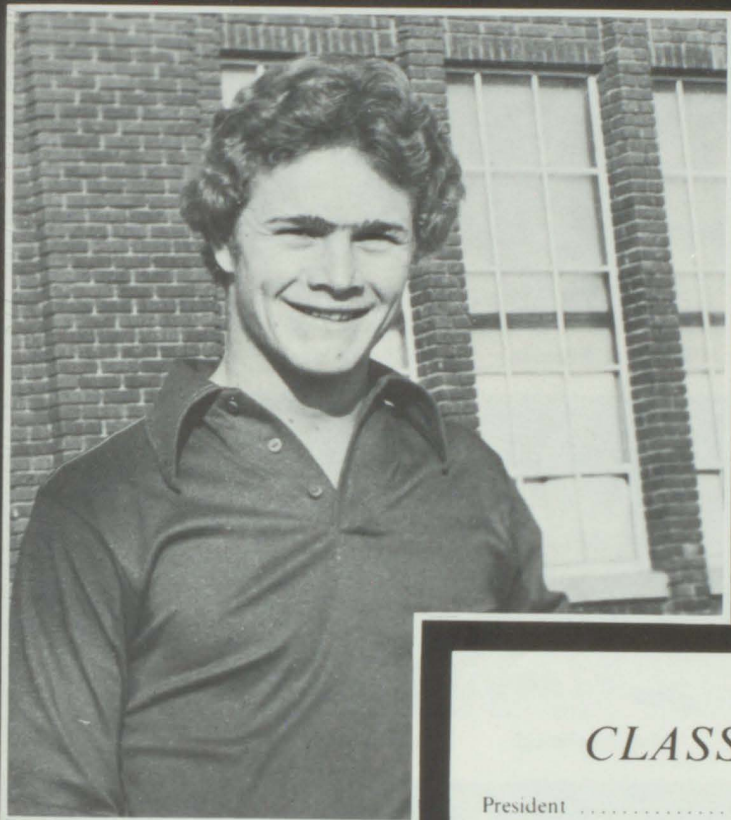

Suddenly we were plunged into the crazy world of High School, where there was always something going on, or somewhere to go. We had more new experiences than we knew how to handle, but with the help of each other, we made it.

Through "The Pit," "Tom Trails," and trying "anything" to get our names in "Comins and Goins."

Through rivalries in the many sports, where we loved the Preston High Indians, whether they won or not.

Through the feelings that a song could stir in our hearts — the loyal felt during the "Fight Song," the way our throats tightened during the "Alma Mater," and the feelings of dignity and pride during "Pomp and Circumstance."

The Class of 1981 has come through a lot together, and we wouldn't have made it without each other. We achieved our goals, set new records, and gained many friends who will always hold a special place in our hearts. We have made many memories that will be thought of often in the years ahead. We have left our mark on Preston High, and we will never be forgotten. The Seniors of 1981 will always be remembered as the class who, through unity, achieved triumph.

***OUR PRINCIPAL, MR. KOCH, SHOWED CONCERN FOR THE SCHOOL.***

He made High School fun, while still keeping us under control. His leadership abilities led us forward to sports victories, scholastic victories, and personal victories. He had concern for all the students, both cooperative and uncooperative, and did his best to be friends with everyone. He tried to help us work out all of our problems, such as which classes to take, or which girl to ask out, etc. He had a great sense of humor, and showed it in assemblies, during announcements, and during class. He's the best principal PHS has ever had, and we'll never forget him. Thanks, Mr. Koch!

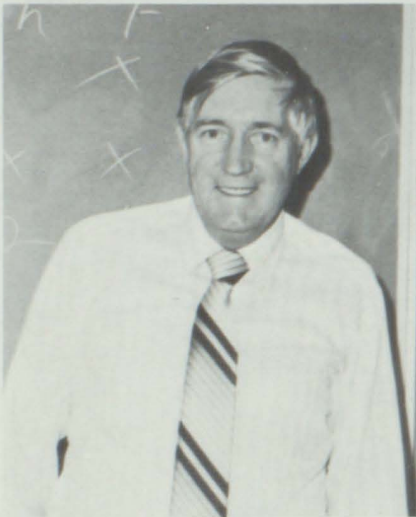

Mr. Al Koch, Principal

***THE FACULTY HAS MADE THE SCHOOL YEAR A VERY LEARNING EXPERIENCE.***

They have endeavored to prepare us for the big cruel world, and although we sometimes reject their aid, it helps us in the end. They have put up with a lot — from throwing erasers to smart-licky kids, and we appreciate their efforts.

The teachers are great! Thanks!

With exciting assemblies and pep rallies, they have unified the classes and promoted school spirit, making us an outstanding school. They encouraged everyone to come support the team, and everyone did. We had great turnouts to all athletic activities, and the cheerleaders were there to get us excited.

## THE CROSS COUNTRY TEAM TOOK THIRD IN STATE

The team pulled off a District Championship. Led by Jeff Griffeth, the team won all their meets prior to District, and then walked (or rather ran) away with the District title. Cross Country has grown in popularity and usually draws quite a crowd of spectators. It requires skill and endurance, and the team has proven that they have both. Congratulations!

Seth keeps warm on a cold winters day.

FIRST ROW: Seth Wheatley, Jeff Griffeth, Coach Nelson. SECOND ROW: Robert LaFever, Steven Hawkes, Benton Christenson, Todd Moser, Jeff Seamons, Troy Wing, Cortney Rasmussen, Bruce Woodward. THIRD ROW: Steven Christenson, Blaine Butterworth, Doug Smith.

**THE P.H.S. FOOTBALL TEAM  
HAD A GOOD SEASON, AND  
WERE UNIFIED TO THE END.**

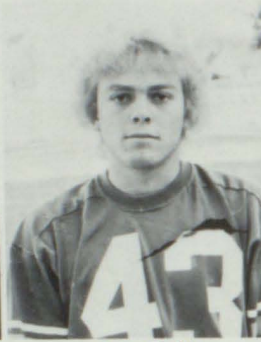

They had a 5-3 record, and although the record may not show it, PHS is the best! With Craig Bell at the quarterback position, we made some great plays that led us to victory. The Homecoming game was great, and the football team was too. Those that made All League were Stephen Oliverson, Zann Larson, and John Dahle. Honorable Mention went to Doug Talbot, Jeff Green, Mark Krantz, and Barry Barger. Congratulations, football!

## *THE PRESTON WRESTLING SQUAD WORKED HARD TO ACHIEVE THEIR GOALS*

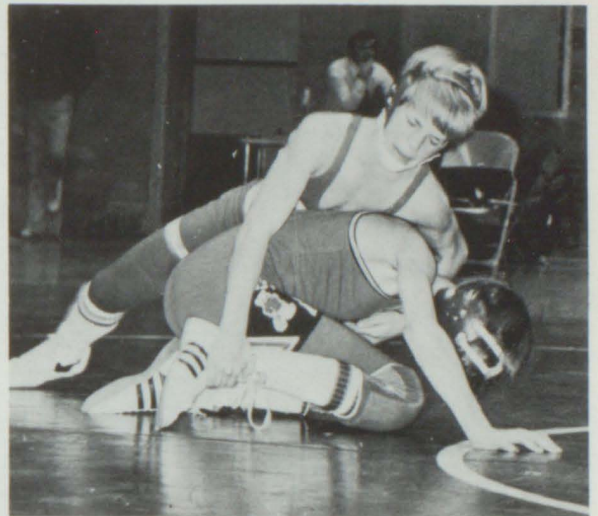

They had many triumphs over the opposition, and they held together whether they won or lost. This attitude led them to take 3rd place overall on the State level, with John Beckstead taking first, Jim Peacock, second, and Darren Hollingsworth, third. They have really put Preston on the map, and they are a great example of the phrase "Unity Achieves Triumph."

# THE GIRLS' BASKETBALL TEAM TOOK SECOND IN STATE!

That is the highest the Preston High girls' team have ever gone in the school's history. They took first in District after a great season. Then they defeated Kuna and Lakeland, but were defeated by Moscow in the Championship game. The girls held together and proved that they could work well as a team. They also unified the school by being good sportsman and encouraging us to do the same. Thank you, girls!
