LET'S BOOGIE!

For those students who participated, dances provided a much needed diversion to the regular lonely nights in front of "the tube." The method of assigning dances was changed this year. The Executive Council had the clubs bid on which dance they sponsored, with a cut of the profits going toward a fund for student buses for away games. Dances included the Get Acquainted Dance, Homecoming Dance, Buddy Dance, Harvest Ball, Christmas Dance, MORP Dance, Sweetheart Dance, Unity Ball (see p. 24-25), Inaugural Ball, Senior Dance, and stag dances.

For this year's school play, Mr. Dericott again selected a comedy. Since the cast only included fourteen parts, most of the characters were double cast, thus giving more students a chance to display their acting abilities. It was interesting to see the different interpretations of the two different casts. There was a total of six performances, each delighting the audience.

One of the biggest events of the year, Homecoming Week, was filled with activities aimed to strengthen spirit and arouse enthusiasm amongst the students. Much time and effort went into floats, window painting, hall decorating, halftime entertainment, and the homecoming assembly. The effort was rewarded when the spirit and enthusiasm carried over to the football game, spurring the team on to their first victory of the season, a 12-8 triumph over the Beavers of American Falls.

The seniors scored on their 1st possession of the 2nd half on a 51 yard run by Wendy Liebes. A 2 point conversion put the seniors on top 8-6. It was short lived as Cherie Curtis scored again for one juniors on a 57-yard sprint down the side line. The extra point again failed leaving the juniors ahead 12-8. The seniors retaliated with Rainee Hebdon's 5 yard plunge. The seniors' second 2 point conversion resulted in a 16-12 lead. However, the juniors bounced back with another 50 yard-plus run by Robyn Haworth. To break the monotony of the school routine, the executive council organized a halloween hall party. Considering the alternative of being in class, student participation was overwhelming.

1. Some students will stop at nothing to stuff themselves with donuts. 2. Heads down, bottoms up! 3. Jeff Rich dips in to the yellow "pee-wee" punch from a rather unique punch bowl. 4. The cake walk drew a large crowd.

250 students presented 180 different projects in the 1985 science fair. The projects were intellectually stimulating and original. Some of the more curiosity invoking project titles included: "Can Coke Carmalize?", "Seperated Manure", "Singing Crystal", "Colored Molds", "Talking to Plants", "Bulls and Genes", "AM/PM Brian Function", and "Life without a Nose."

1. Randon Hansen shares his intellect with student as he explains his project. 2. Cody Hodges and Jason Cale tell you everything you ever wanted to know about eyes but were afraid to ask. 3. CAMPAIGN '86

Election week was shortened but the competitive spirit soared high. The two parties were Derricotts Disciples, who followed their leader Brian Derricott and Chandler's Crew, coached by Greg Chandler. Both parties worked hard to make elections fun for everyone.

3▲ 4▼

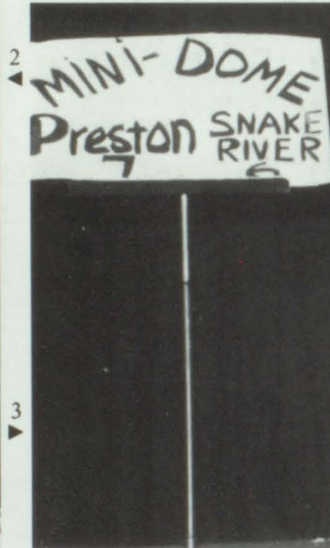

1. Tandy Roberts promised to provide social activities for the students of PHS. 2. Chandler's Crew pointed out how great PHS really is. 3. Students found it difficult to vote because of the wide variety of candidates. 4. Brian Derricott instructed his followers on the ways of the world. 5. Greg Chandler tried to buy Clendon Christensen's vote with candy.

The seniors' year culminated in the senior assembly — their last chance to perform before the student body. A variety of entertainment was presented including a sentimental song, a routine by the cheerleaders, a review of the year's events, a slide show, a whimsical look into the future via the ten year class reunion, and ending in the candle ceremony as a final farewell to the underclassmen.

1. Rick Collins, Darrin Carter, and Tamara Stanko participate in the candle ceremony. 2. Coach Bergeson and Mr. Johnson's true personalities emerged as they exceeded the assembly. 3. One of the highlights of the assembly was a review of the successes of the past year. 4. Senior cheerleaders perform for the last time. 5. A glimpse of the ten year reunion finds Chad Jensen roping Bryan Woolley. 6. The future sees Sarah Nelson, Christine Waddoups, Claudine Erickson, Annette Baird, David Larsen, and Clyde Johnson having reversed roles. 7. Kayleen Parker's song added a touch of class. 8. Believing that Brian Prochnow and Kody Roholt will some day arrest Jef Rich is like believing that some day President Reagan will become Moammar Khadafy's best friend. 9. Holly Edwards and Sheridyn Roper are the Doublemint Twins of the 1990's. 10. Jay Kirkbride and Paul Bowler live out their fantasies.

The musical that almost wasn't. Due to the sudden illness and operation of drama director Mr. Derricott, "Oliver" was nearly cancelled midway through rehearsals. Enter, stage left, Mr. Hoffman, who took over and with the help of Mr. Montague, Mr. Buys, choreographer Mrs. Kissinger, and scenery by Mr. Johnson, pulled off a professional performance. A special touch was added with the use of a junior high chorus. Despite the hassles and uncertainty, the leads especially did an exceptional job with their parts.

OLIVER!

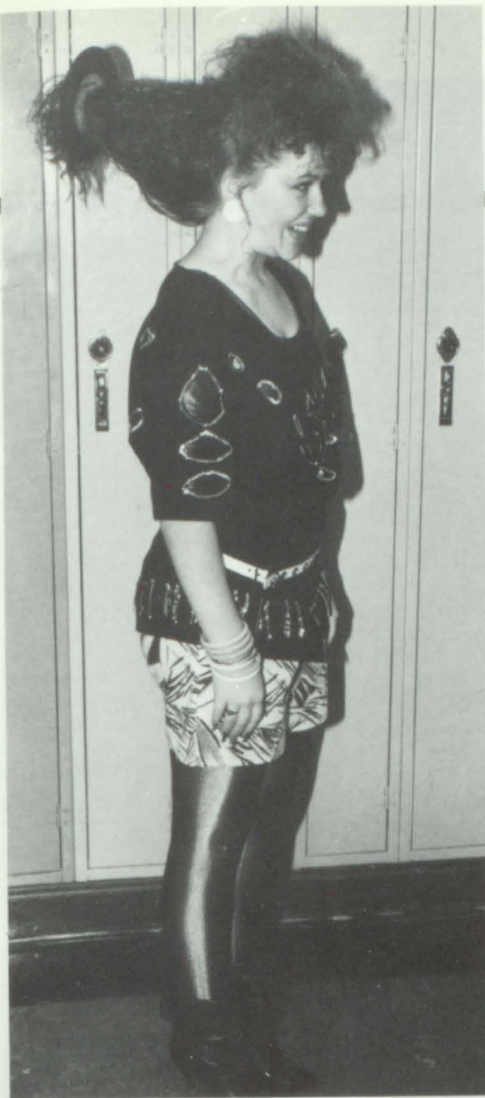

UNITY WEEK

Unity week turned "dead week" into one of the liveliest weeks of the year. Much to the chagrin of the students, testing was severely interrupted. The week was packed with activities and chaos, culminating in the big dance of the year, Saturday night.

1. Friday — The school was overrun by Al Capone look-alikes on "Gangster Day." 2. Tuesday — Michelle Prochnow and Dawn Jensen took first place in the "Twin Day" competition. 3. Monday — Jerry Olson was one of the twelve underclassmen "privileged" enough to be sold at the slave auction. 4. Thursday — Jan Palmer went all out for "Weird Hair and Clothes Day." 5. Monday — Being St. Patrick's day, we started off the week with "Green Day." Jill Swainston and Terri Beckstead show Jeff Rich what green can do to you. 6. Wednesday — "Prehistoric Day" gave us a chance to revert to our animal instincts.

A Night to Remember

The Unity Ball truly was a night to remember. The decorations were splendid, adding to the stylish atmosphere of the evening. Being held in the Oakwood's smaller gym, there was a definite feeling of "unity!" The promenade, involving 19 couples was well rehearsed and presented.

7▼

8▼

1. Shane Moser and Stephanie Porter enjoy the refreshments. 2. Great music makes for a great time, as many students found out. 3. Doug Beckstead and Jeri Griffeth exit "The Tunnel of Love." 4. Tony Dericott escorts Shannon Rasmussen in the promenade. 5. Junior King, Chris Abrams, enjoys a dance with his date, Robyn Haworth. 6. Bryan Woolley and Sue Chadwick take a break from the dancing. 7. The promenade was choreographed by Paula Lemmon. 8. Wes Hansen and Sheridyn Roper, accompanied by Stacie Smith, sang the theme song, "I'll Be There."

Scattered throughout the year was a mixture of pep assemblies and national school assemblies. Participation by students was high, exposing many camera shy students to the spotlight. Pep assemblies were aimed at increasing school spirit while the national school assemblies were educational. Both were very entertaining!

The hit of the year was the teacher's rendition of Motley Crew's "Smokin' in the Boys' Room." 5. The girls' basketball team show their sophistication during a pep assembly skit. 6. Trissa Hobbs and Matt Lucia were told to "stuff it" during freshmen initiation. 7. David Clark, Matt Swann and Joe Beard were the objects of several of the magicians jokes. 8. Gwynna Hill exchanged facial expressions with the mime. 9. Hypnotist, Jack Lithgoe, had the students under his spell.

'87 ROCKS ON!

The junior assembly started out with a burst of enthusiasm. There was a wide variety of entertainment including a loud band, a serene duet, a precision dance routine, and several hilarious comedy sketches. The assembly provided a transition between the chaos of unity week and the elegance of the Unity Ball.

1. Forrest Atkinson jams out with "Livewire."
2. The Unity Ball royalty was presented during the assembly.
3. In one of the comedy sketches, the juniors were presented with "a whack to the head."
4. Jackie Johnson, along with the rest of the junior Phi-dels and cheerleaders, presented their annual routine.
5. Matt Bowler was the emcee for the junior assembly.

This year's cross-country squad saw vast improvements over last year. A larger team, home meets and good overall balance resulted in PHS's first ever district championship in cross-country. To add icing to the cake, they edged out three times defending state champs, Malad Dragons, for the district title. State qualifiers included Shawn Moser, Jonathan Nelson, Robbie Cole, Tim Rawlings, Kris Womack, Robert Gregory, Brian Erickson, and Michelle Burbank.

1. Shawn Moser leads the tribe to victory, placing 18th in state. 2. And they're off! 3. Michelle Burbank, as a freshman, was the only girl to qualify for state. 4. Chris Womack conquers Creamery Hollow Hill.

The freshman football squad, under Coach Jon Hyde and Assistant Coach Rich Kincaid, ended the season with a 3-3 record. All three losses came to teams using both sophomores and freshmen. This higher level of competition gave the freshmen more valuable experience that should be manifested in future years.

1. Coaches Kincaid and Hyde provided excellent leadership for the young athletes. 2. Travis Kunz and Joel Moser are in hot pursuit of Grace's quarterback.

J.V. DOMINATES

The J.V., under Coach Larry Bergeson, compiled a 5-2 record with one of the most potent offenses to come along in quite some time. The team outscored their opponents 220-43 over the course of the season.

1. In the last game of the season, Preston pulled off the halfback (Richie Umbel) to quarterback (Brian Baxter) pass. 2. Richie Umbel was the leading J.V. rusher. 3. #24 — Chris Abrams, #32 — Jason Rich, #26 — Trent Stokes and #51 — Kevin Hobbs demonstrate the swarming defense that shut out four opponents.

Coach Marv Majerus' varsity squad had a frustrating 2-7 season, falling just short of a district title and a state playoff berth. After a bruising predistrict schedule against four talented and often oversized opponents, the Indians posted a 2-3 district record in which no game was won or lost by more than a touchdown. Had any one of those losses swung the other way, Preston would have claimed the district championship and qualified for the state playoffs. This year's team captains were Perry Holton, Paul Bowler, Bret Adamson and Darin Bowling.

1. David Payne was selected first team All-District. 2. Perry Holton and Darin Bowling hook up on a trap play.

The girls who participated in J.V. Girls' Basketball received experience which will help in later years. Under the direction of Coach Lyons the team ended the year with a 13 and 7 record. Coach Paskins will surely welcome this team on her varsity squad.

A long awaited victory was sweet as the girls, 2 coached by Jean Paskins, took the A-2 state championship after 9 unsuccessful attempts. After bursting St. Maries bubble, 53-52, they moved on to defeat Moscow 49-41. This moved them into the championship game with Lakeland, where it was a struggle up until the fourth quarter. As Lola Talbot put it, "We couldn't miss." The Indians outscored Lakeland 25-8 to finish 69-54 for the state title. The team ended up with a 25-2 record, including an undefeated district title.

1. Lola Talbot's accurate outside shooting kept the opponent's defense from sagging off on Jill. 2. Margret Knapp's play making earned her the name "little general."

GRADUATING HONORS

Although graduating is an honor in itself, some students have distinguished themselves above the rest. The Valedictorian and Salutatorian are the top two academic graduating seniors. Two other awards presented are for the most Outstanding Graduating male and female. The faculty was instructed to choose a student they would most likely want as one of their own children. The Arrowhead Award is presented to those students who participated in many extracurricular activities. The students receive points for their activities and those with the most points earned received this award. National Honor Society members are selected on the basis of leadership, scholarship, service, character, and their cumulative grade point average. It is truly an honor to receive any of these awards.

3. Jeff Rich and Brad Ransom had a little "Trouble over Bridged Waters."

ALL MIXED-UP

Although the Mixed Choir, under the direction of Mr. Montague, was short on "man" power, the few boys they did have carried their parts well producing a full sound. They performed contemporary music at both the Christmas and Spring Concerts.

What this year's O.E.A. lacked in numbers, they more than made up for in dedication and determination. Advised by Miss Thompsen, the group sent members to both district and state competitions where the hard work really paid off. As a service project, the O.E.A. did an extensive "clean-up" of the school grounds which was much appreciated by the faculty and students. This year's officers were: President: Kathryn Lewis and Secretary — Nikie Greene.

1. Nikie Greene and Kathryn Lewis prepare to enter the work force. 2. Cynthia Christensen was the club's shorthand expert. 3. Debbie Gilbert keeps her "balance."

INTELLECTS

Front Row: Rhett Matthews, Sara Nelson, Mrs. Stewart, Clendon Christensen, Penny West. **Back Row:** Jay Swann, Bryant Sorenson, Stephen Koch, Matt Cattani, Kenneth Meek, Greg Chandler, Kim Clark.

Placing third at State was one of the biggest accomplishments the team had this year. Part of their success can be attributed to the help of various faculty members. Mrs. Stewart was the advisor and tutor of this group. She had one hour a day in which to prepare them for the big Decathlon. Bryant Sorenson and Kenneth Meek received four-year full ride scholarships to USU.

1. And now we know how Greg Chandler gets those high grades. 2. Annette Baird demonstrates the hard work that goes into preparing for the competition.

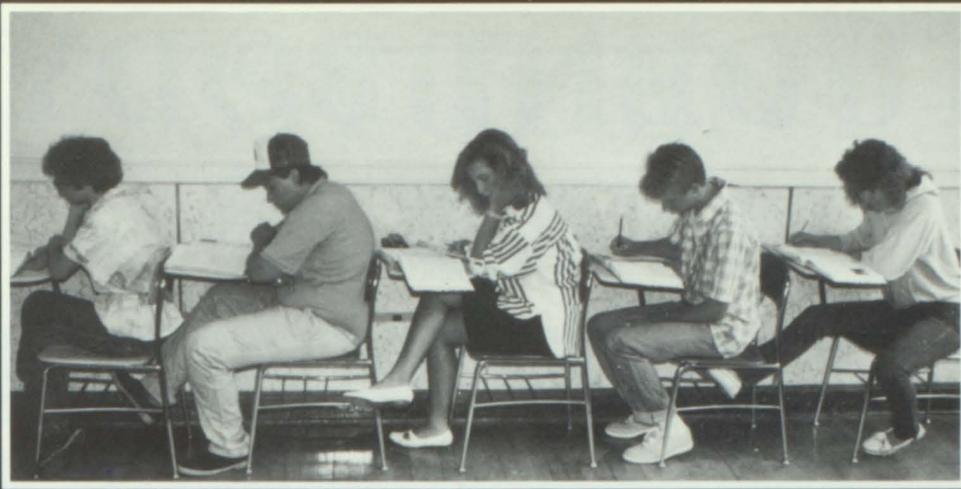

SUPER JOCKS!

To be a member of the Lettermen's Club one must letter in at least one sport. This club is open to both male and female lettermen. It is quite a privilege to belong to this elite group.
