# REFLECTIONS REFLECTIONS

In our hands, we hold the mirror of time.  
It reflects upon many years of growth and change.  
It will take only a few moments for us to recall  
the memories that are sketched in the reflections  
of the past year.

We see challenges,  
excitement,  
trial,  
and the awful pain of failure.

But, we grew from these experiences,  
and soon learned to look a little  
further than we thought we  
could reach.

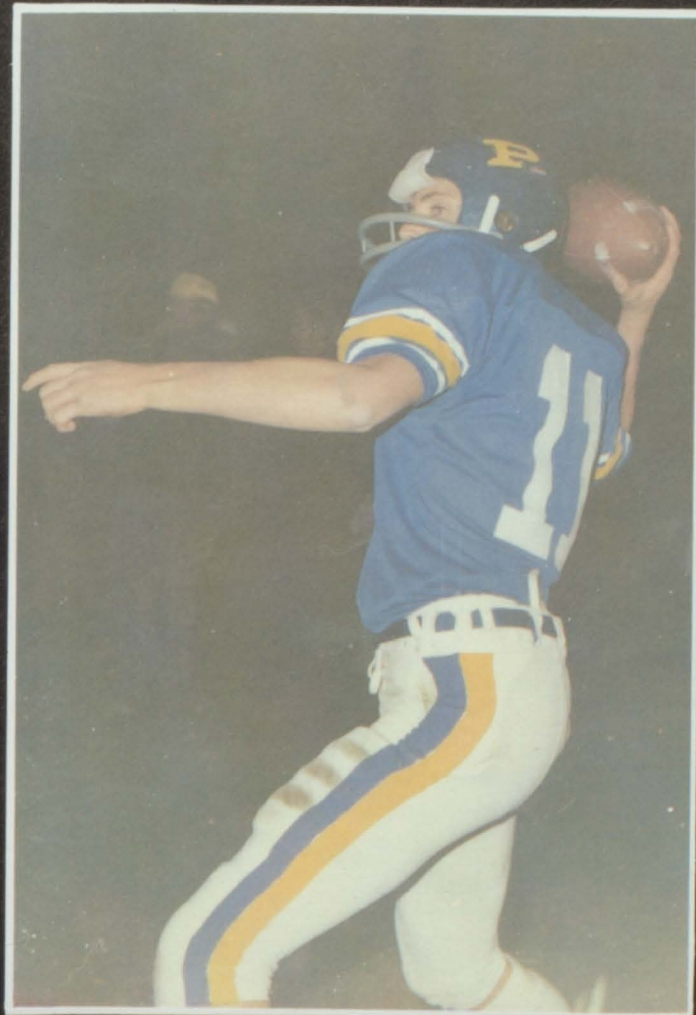

We dreamed, and found within  
ourselves the power  
to fulfill those dreams.

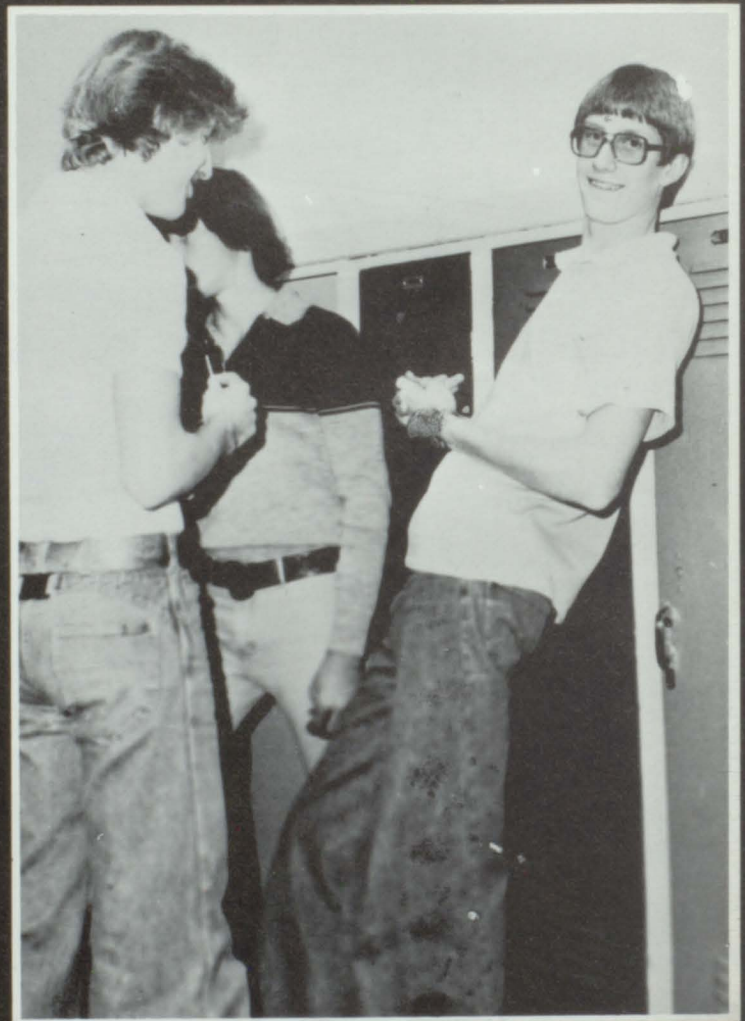

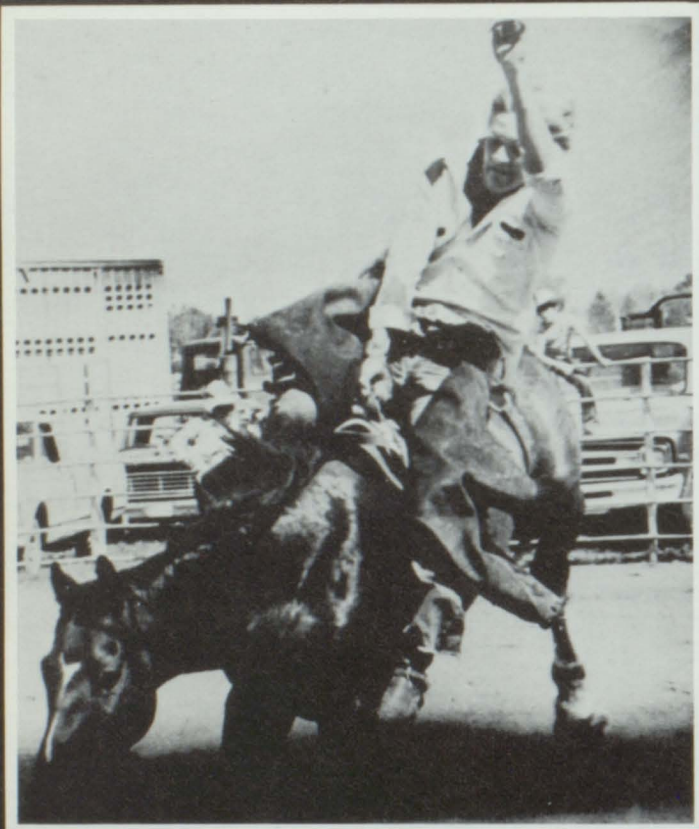

We set goals,  
reached for brighter stars,  
and helped to push each  
other toward our chosen  
destinies.

We cried together,  
fought together,  
learned together,  
and often found ourselves  
laughing together.

We ponder the reflection  
for just a second more,  
and we come to see our potential,  
and all that we have done thus far  
to reach it.

Our reflections of the past,  
and our memories of the present,  
will be the solid foundation  
on which our tomorrows  
will be built.

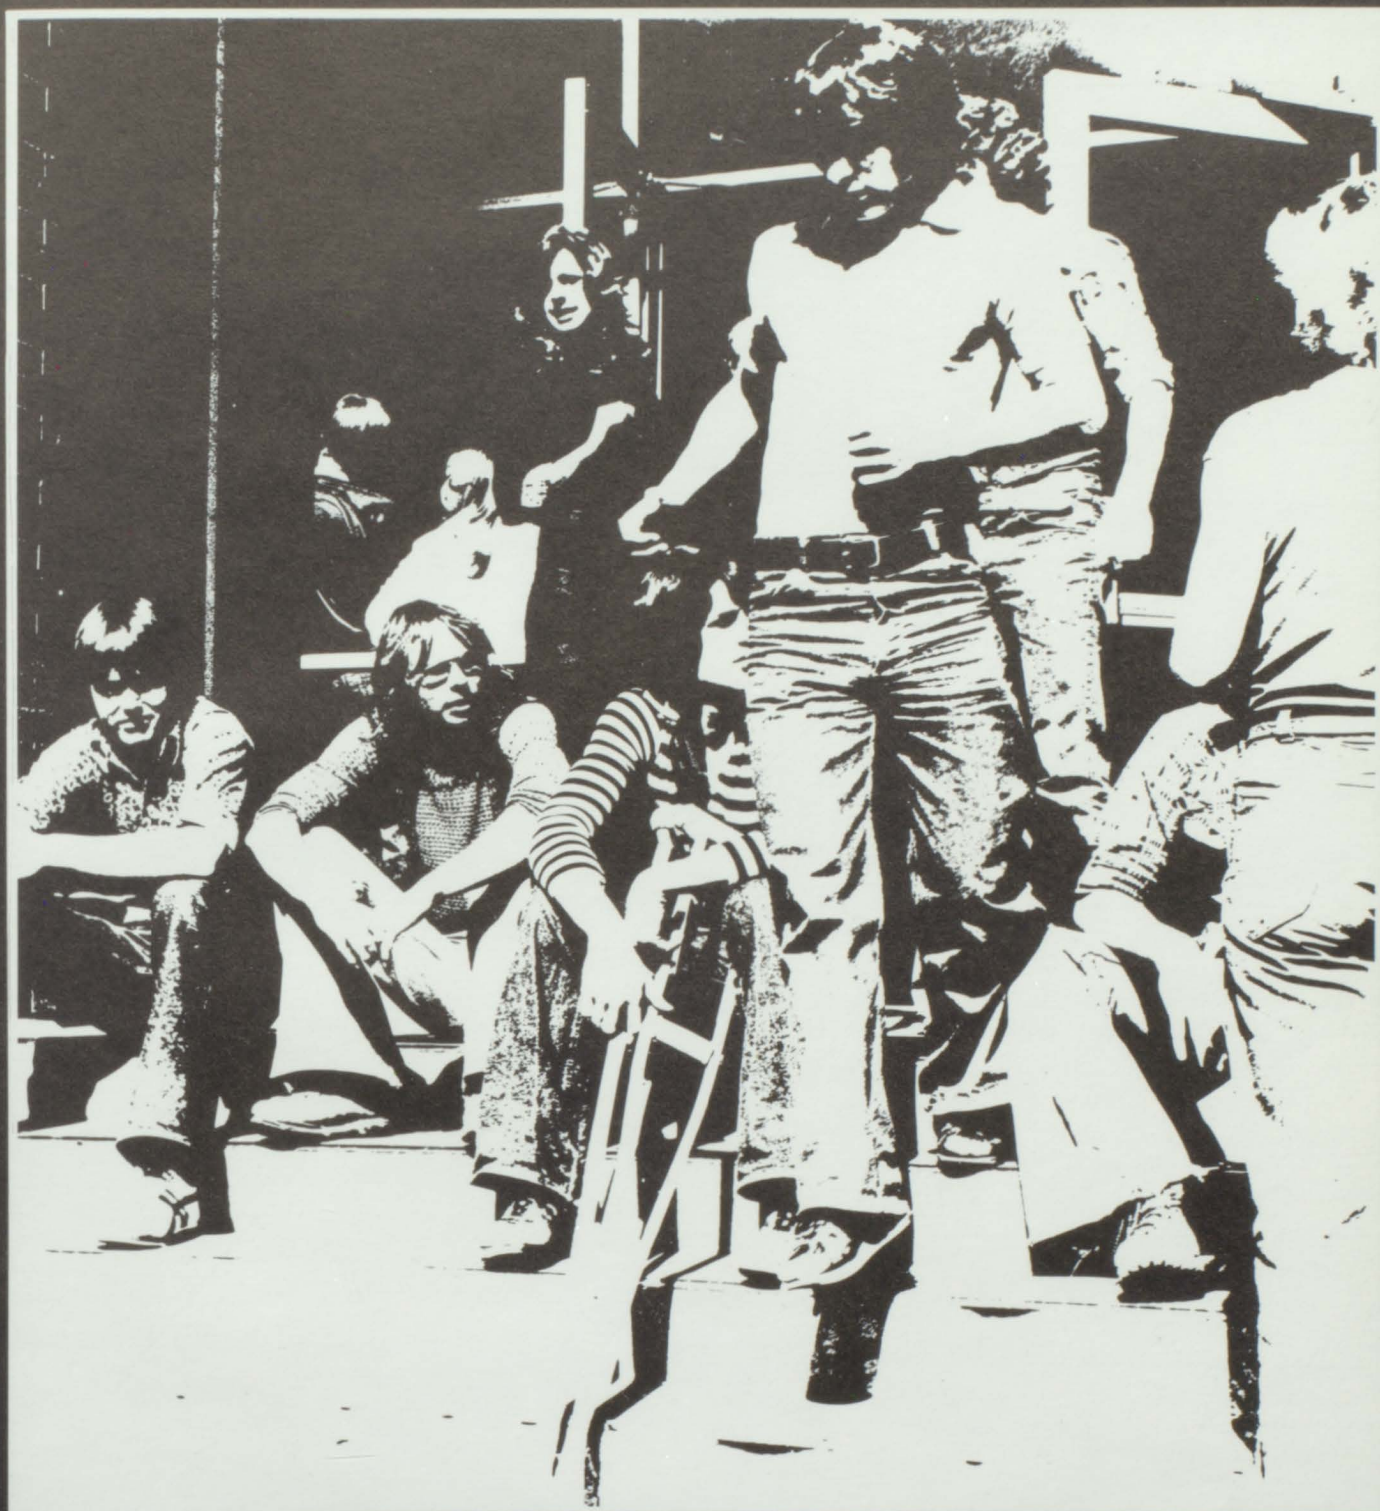

By reaching back  
for occasional glimpses  
of the past,  
we can assure ourselves  
that we are closer to success  
in the future.

# PHOTOGRAPHY

PHOTOGRAPHY CLUB

This year the Photography Club had the opportunity to learn as a group, the fundamentals of developing and printing pictures. Everyone knew that the group had just had an inspiring meeting when they saw Perry Gleason roaming the halls with his camera.

The president this year was Vaughn Tanner. Mr. Williams was the advisor.

LeGrand tells all . . .

# CHESS CLUB

Noon hour was a busy time for the members of the chess club. Heated matches took place every day, as the members of the club strove to improve on their Chess playing techniques. Officers this year were: Scott Whitehead, President; Perry Gleason, Vice-President, Harold Thompson, Secretary; Mr. Olson, Advisor.

CHESS CLUB

That was a dumb move!

The master minds at work . . .

# SKI CLUB

SKI CLUB

Activities were many for the members of the Ski Club. "Everyone was involved, and we all had a lot of fun!" This was a classic remark from one of the Ski Club members, which seemed to speak for everyone.

Officers this year were Randy Maddock, Michelle Lowe, Jerry McDowell. Mr. Milbrandt was the advisor.

Ski Club Officers: Randy Maddock, Vice-President; Michelle Lowe, Secretary; Jerry McDowell, President.

"So that's what it is!!!"

# SPANISH CLUB

The Spanish Club has had loads of fun this last year. The group made posters for many school activities, and held many parties during the year. The group attended the language festival at ISU in the spring.

Officers this year were: President, Reuben Contreras; Vice-President, Craig Moore, Sec. Tamra Woodworth.

"I wonder if I dare ask her out?"

SPANISH CLUB

# GERMAN CLUB

German Club

This is one of the most useful clubs that a student can participate and have fun in. Along with having fun, the members learn fundamental lifestyles at the same time. They also participate in a language festival at ISU, and do well. One of the more beneficial and fun activities the group is apart of, is the annual German Camp at Cathedral Pines called Tannenbaun. They have parties and activities throughout the year.

Officers this year are: Cortney Rasmussen, President; Darrell Hubbard, Vice-President; Patsy Oliverson, Reporter; Deann Hebdon, Secretary; and David Mitchell, Advisor.

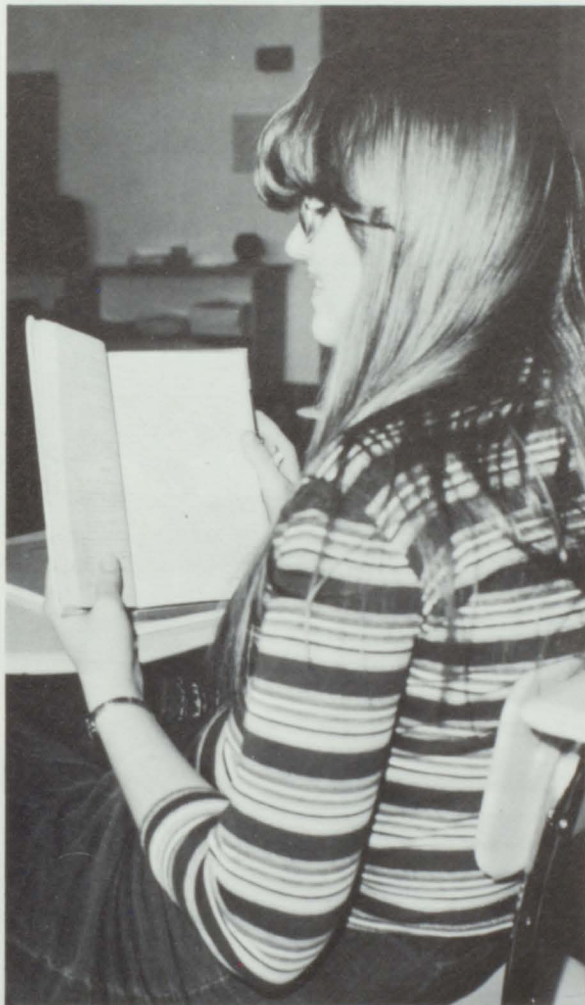

German Club Officers

Patsy studies the German symbol.

"You're not supposed to tell those kind of jokes in school!"

Jeanene enjoys German.

"Mike, I refuse to listen to another word from you."

"I wasn't asleep."

# PEP CLUB

Everybody get down to that Indian ground, hey you!" This was a favorite cheer of the Pep Club this year. Sore throats and deafness usually come to anyone who is willing to try being in the Pep Club.

President, Katie Hawkes; Vice-President, Jackie Christensen; and Secretary, Shonna Robinson, have all worked very hard to make this year a big success. All the team received a great deal of support. Many times the members of the club were required to be at games and matches more than twice a week.

Everybody say ahhhhh . . .

That's a strange way of praying?

Juniors really support the team.

Is that legal?

Kate learns the joys of being president?

WAR CRY STAFF

## WAR CRY

The Journalism classes have become much more than just a group to produce the monthly school newspaper. With an emphasis on increasing writing skills, these students have learned to understand more fully the mass media and its role in society. Along with monthly publication of the War Cry, the staff has the opportunity to write for the local newspaper and organize a radio show, "Smoke Signals," heard on KACH radio weekly. "Reflections," the school's literary magazine is also published by the organization. Quill and Scroll, the international honor society for high school journalists was reinstated for eligible members of the classes this year.

Karlene and Mike sort through pictures to be used in the school paper.

War Cry Staff: Karlene Barger, Editor-in-Chief; Sean Stanton, Assistant Editor-in-Chief; Mike Hollingsworth, Feature Editor; Rhonda Tallison, Sports Editor; Sean Stanton, Artist; Lisa Phillips, Business Manager.

# QUIVER

This past school year has been a very special one. We, the Quiver staff, have endeavored to record the events of this year into a permanent, illustrated record. We hope that on the pages of this book, we have been able to capture enough of the laughter and tears to make your memories of the year 1977-78 complete.

As you press on through the future, may these days of your past, here recorded, be a reminder of the special memories that we, the students of Preston High have had the opportunity to share.

We challenge you to make the most of the future, but, always cherish the past, for it is ours, together.

# DEBATE CLUB

The Debate Club has really proven worthwhile this year. This is the first in many years that Debate has had a class in which to research, practice debates, and prepare for upcoming tournaments.

In September the group attended a workshop in Boise, and in November they visited a debate tournament at Sky View. All this prepared them for their first tournament at Bonneville High on December ninth and tenth. Charmaine Thompson made it to the finals in extemporaneous speaking, and Tom North brought home a second place trophy for impromptu speaking.

Officers this year were; Angie Johnson, President; Steve Cattani, Vice-president; and Jan Petterborg, Secretary.

"Hey man, this is a blast!"

THE DEBATE CLUB

SPEECH AND DRAMA

## SPEECH AND DRAMA

Officers for this year were: Steve Cattani, President; Jeff Maughan, Vice-President; David Bosen, Secretary-treasurer.

# ARSENIC AND OLD LACE

The PHS Speech-Drama Department presented the old favorite "Arsenic and Old Lace." It was presented in student matinees and evening performances in mid-October. The story is of two loveable but lethal Brewster sisters — the most loveable old ladies who ever filled their cellars with corpses. The sisters had charity in their hearts and cadavers in their basement. The play was well received by several audiences.

Oh, Abby we had a new gentleman come in today.

No you can't use the office typewriter! You're fired! get out!

Well! I'm off to Panama!

Three stooges? No they're just some bodies from the cellar!

Oh, so you're the reason why we can't recognize Jonathon?
