AND THAT WAS

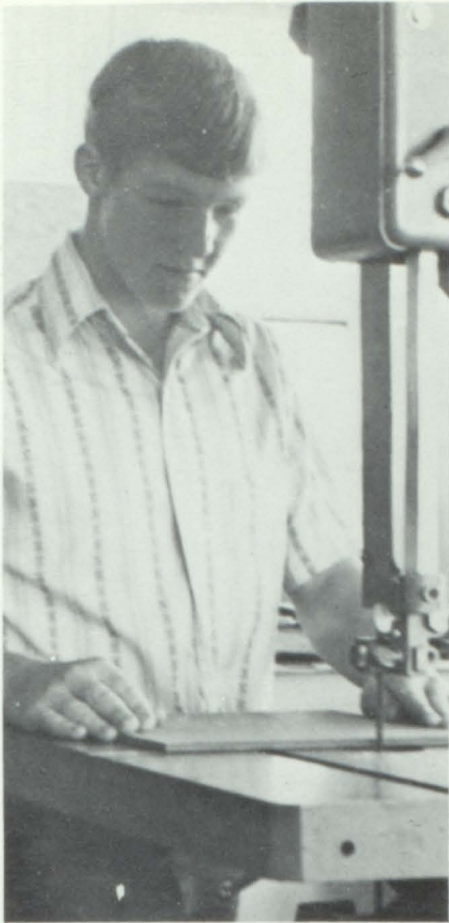

ONLY YESTERDAY

Memories linger of being together
United with strong ties of friendship;
Reaching for one common goal,
Forming everlasting bonds.

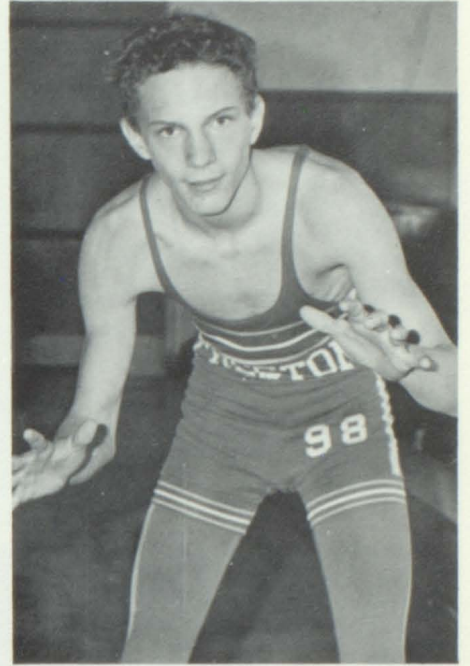

We remember hours spent learning and doing,
Striving for knowledge and understanding,
Working to earn an education,
Laboring to achieve the highest and best.

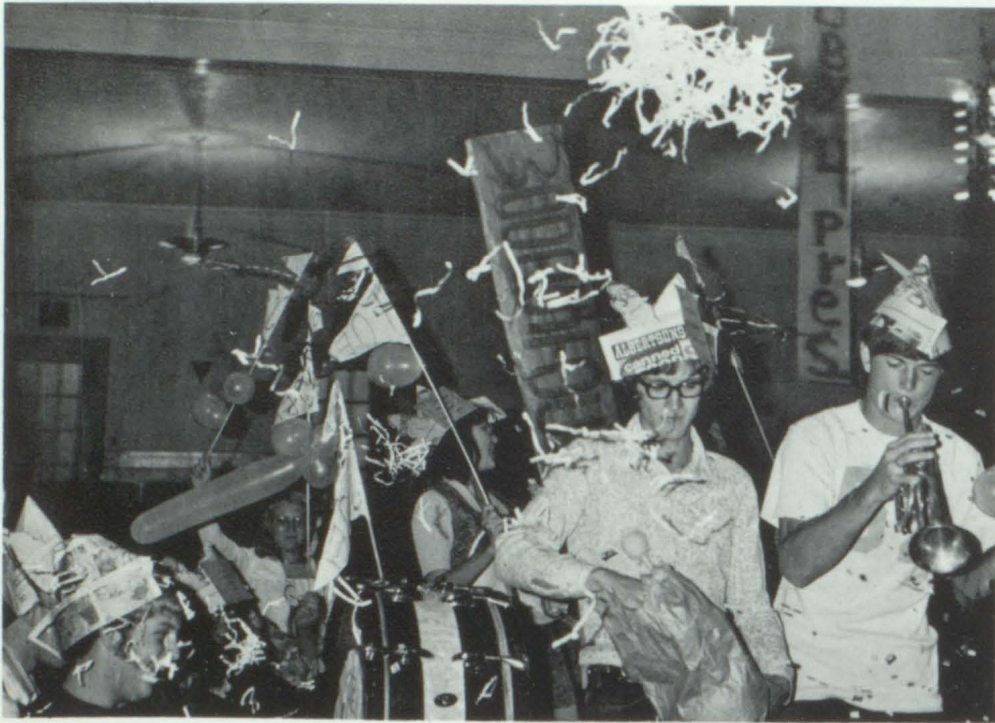

We think of the good times we had,
Showing our pep and enthusiasm,
Enjoying dances and games . . .
Experiencing just plain fun.

Our Indians competed with fire and spirit,
Running, conquering, fighting to win,
Learning good sportsmanship
Working together . . . being a team.

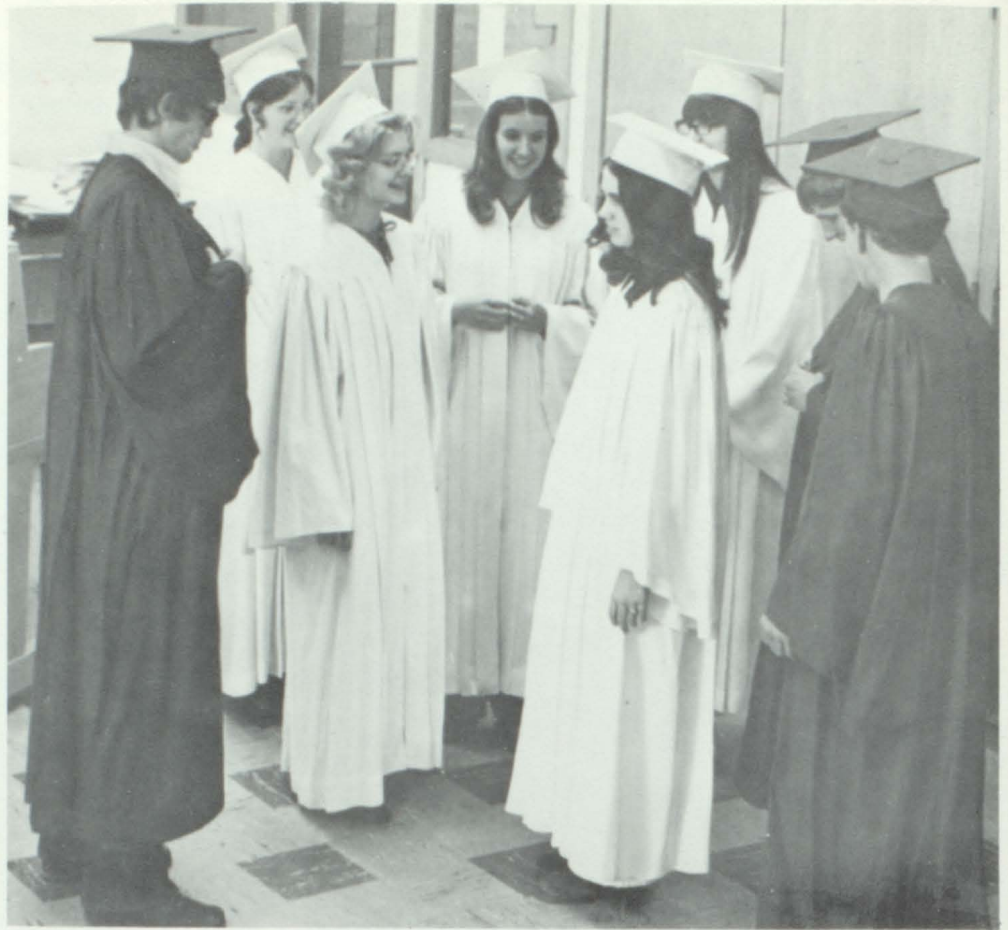

We were behind our school all the way
Supporting our teams, cheering them on,
Uniting our spirit, shouting our cheers,
Crying with one voice, "Victory!"

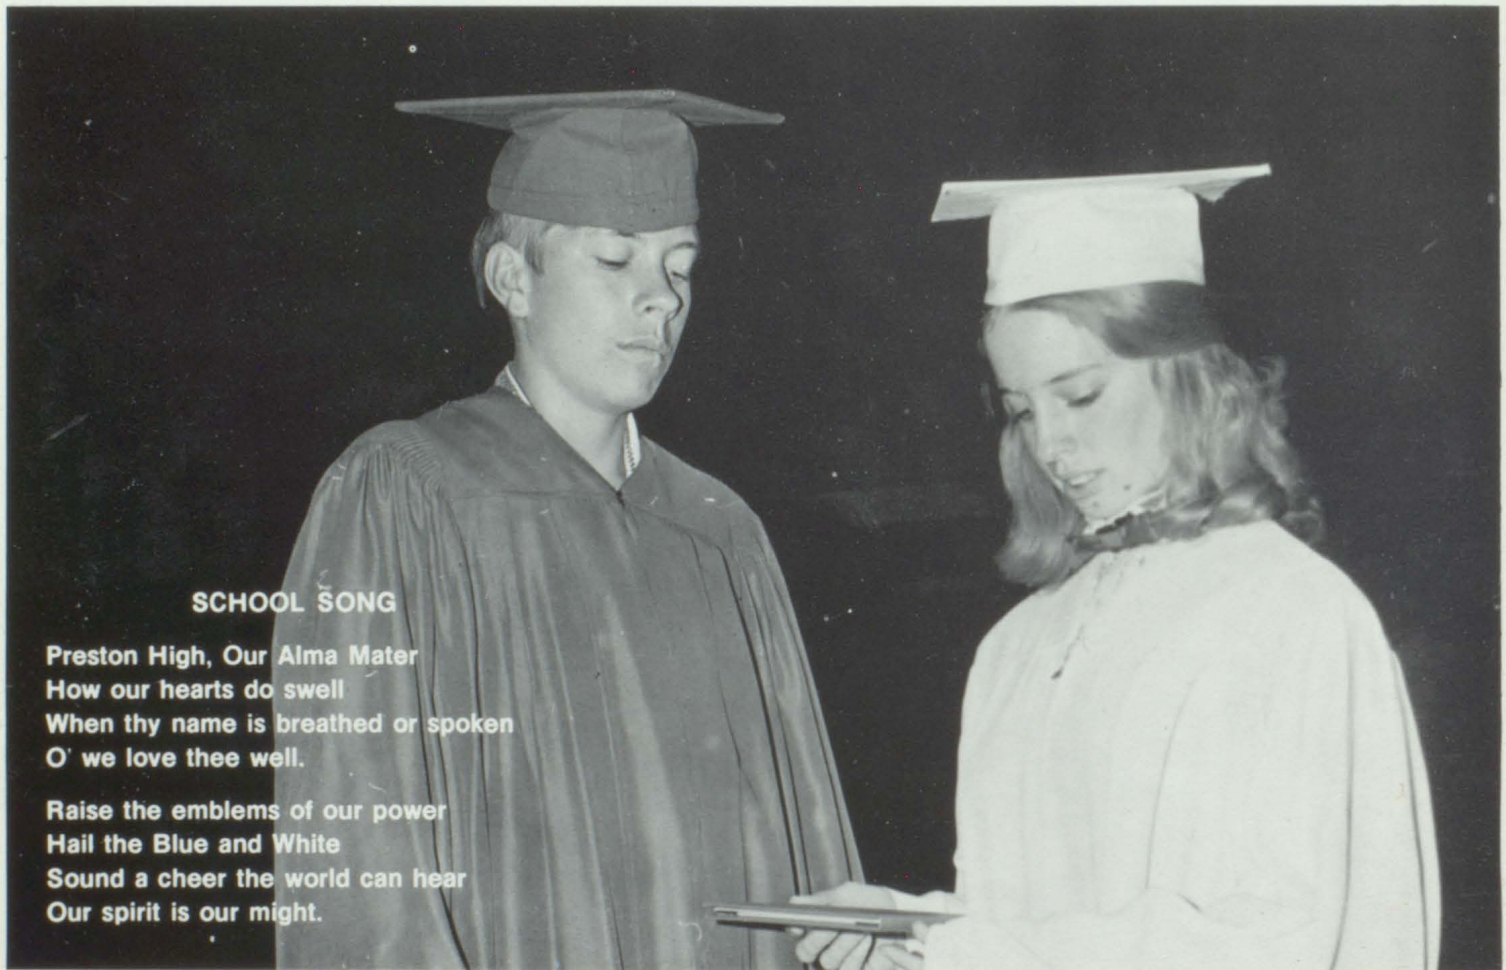

We treasure sounds of familiar voices.
Slamming lockers, and mass confusion,
Greeting friends, Freshmen rushing to class,
Enjoying noon hours make memories of P.H.S.

Tomorrow seemed so far away
We only lived from day to day
Oh, that seemed so long ago
And that was only yesterday.

Anna Marie Nichols

SCHOOL SONG

Preston High, Our Alma Mater
How our hearts do swell
When thy name is breathed or spoken
O' we love thee well.

Raise the emblems of our power
Hail the Blue and White
Sound a cheer the world can hear
Our spirit is our might.

**ADMINISTRATION
AND
FACULTY**

Superintendent and school board enthusiastically support each other.

Dr. Orson L. Bowler has been deeply appreciated by the students of Preston High school throughout his four years of administration in the Eastside School District. He sets an excellent example for the students, and actively encourages new and different ideas for student education.

Support was shown by Dr. Bowler and the members of the School Board in the completion of the Oakwood Elementary School, one of the most modern elementary schools in the nation.

The School Board has done much to make this an outstanding year. Under the capable leadership of its members, our opportunities and facilities for learning have been greatly expanded.

Dr. Orson L. Bowler
Superintendent

Dr. Murray C. Nichols; Paul C. Woodward, Vice Chairman; Kelly E. Bowles, Delmer L. Olson, Robert E. Lindhardt, Chairman; Dr. Orson L. Bowler, Superintendent.

Stability is one of the greatest qualities that anyone can have. You may have all the brains in the world and if you are unstable, what do you accomplish? You may have all the physical strength in the world and be unstable, and where are you? Stability is so important a factor in good character that it must be one of the prime objectives which we seek.

When we think of our stability, we measure it in terms of accomplishments. It is not the stable student, for instance, who will try to get by through using unfair means. The stable student is the one who is going to do the job right and honestly every day, developing real character. Without stability there is no real character.

It is my sincere wish that each of us might work hard to develop the quality of STABILITY!

Here he comes, let's look busy.

This is going to hurt me a lot more than it hurts you.

Craig, give up; you're a hopeless case.

"Peace, Brother."

When will it ever end?

Choir was appreciated for its musical entertainment.

Many different types of music could be heard throughout the school and community as the Preston High School Choir displayed their musical talents. Under the direction of Mr. Hoffman, they performed before many local groups and organizations. During the yuletide season they contributed to the spirit of Christmas by singing carols for the public. The District Contest was also an important part of their activities during the year.

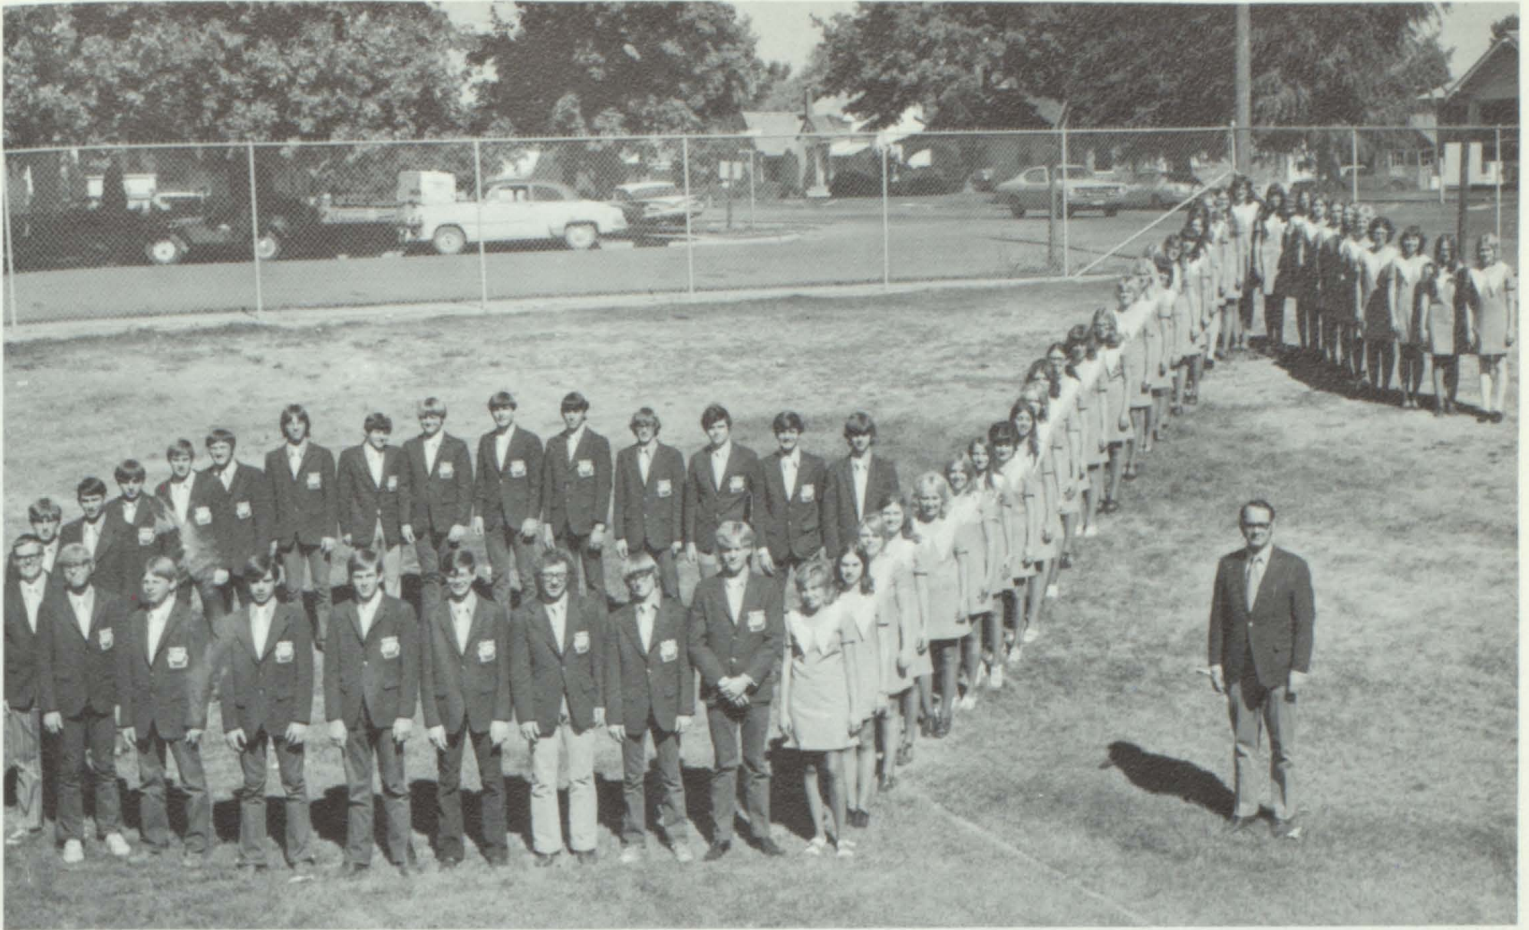

The choir worked hard selling various items at games trying to raise money for their spring tour. They also sold "Swingers" to the public as a way of financing their tour.

In January of 1973 the choir presented, along with the drama department, "Hello Dolly". An infinite number of hours went into rehearsals, but the final result made the practices well worth it.

The officers of the choir were Michael Chatterton, President; Cydne Hansen, Vice President; and Tarea Abrams, Secretary.

new uniforms and a larger membership were added to the band this year.

Band and Essex worked hard to provide entertainment for the community.

It may not have been said in so many words, but everyone appreciated the efforts of the band.

The band was divided into three main parts. The Preston High Marching Band participated in the Homecoming game's half time for the first time in many years. The marching band also participated in many parades including the USU and BYU homecoming parades.

The pep band was a necessary part of every pep assembly and game. It provided the music for our cheers.

During the basketball season, part of the band was divided into a group called the Essex. They performed at games and in various contests.

The band bought new uniforms and recruited many new members. Our band was one everyone was proud of this year.

Supporting P.H.S. throughout the year was the Pep Club.

Enthusiastically cheering our teams on to victory was our Preston High School Pep Club. Decorating lockers, writing "pep" letters, and just being there when the boys needed them were some of the activities of the members of the pep club. They were present at football games, basketball games, and pep rallies, and they boosted the spirit of the Indians continually.

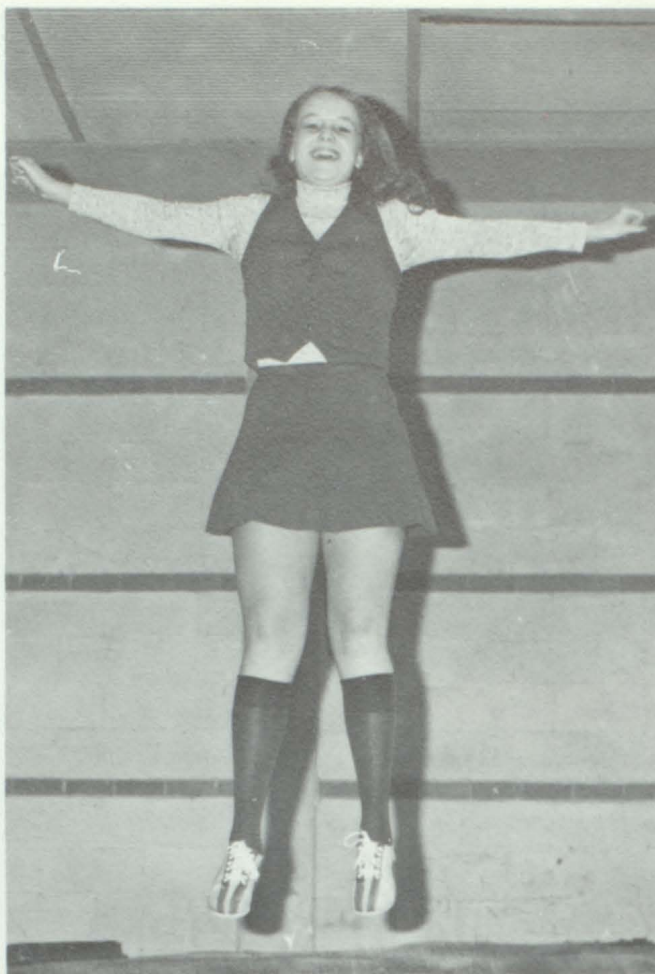

To finance their club they held dances, one of which was the annual Girls' Day Dance. They participated in the Homecoming activities and sponsored parties for the teams of Preston High School. The hard-working officers for the 1972-73 school year were: Bonnie Norton, President; DeAnn Kingsford, Vice President; and Cindy Harward, Secretary.

Undying spirit was exerted by the cheerleaders at all the games.

Preston High's energetic cheerleaders practiced and practiced to lead the school with their cheers. They had much pep and enthusiasm and they cheered their hardest to keep the spirit of Preston High soaring high.

- Social Manager LeeAnn Burnett

Life is the most precious thing we each have and the responsibility for a good life is one of the greatest challenges we are given. It is our obligation to make a success of our life, to explore new areas, and to improve each day.

We have spent this last school year growing, learning, and progressing toward what we will each eventually become some day in the future. Everything we do contributes to that final person we will one day become. What we say, how we act, who we speak to and, most important of all, what we do all combine to make us what we are.

I hope that each of you realize your true potential and work to become the very best in everything you do. That is really what life is all about. Fighting for the best. And Preston High School deserves nothing but the best. We have had it here for over fifty years and I am confident that it will continue to be here for the next fifty years as long as the student-body cares and this great country remains free.

May God bless America— My home and yours.

EVENTS

"I've got to make my break tonight!"

"If you refuse to go, will you also inform the authorities?"

"Finish cleaning up this mess and get out!"

One-act play received excellent rating.

"One Day in the Life of Ivan Denisovich" was the play Preston entered in the District One-act Play Festival. The play was very unique in that it had an all male cast. The boys worked hard to prepare the play for contest and were rewarded well with an excellent rating.

"Isn't the risk of death worth the hope of getting out of this place?"

"They said we were going to get acquainted, not hitched."

"My mother told me there would be days like this."

"I wonder if the freshmen understand."

Many friends were made at the Get Acquainted party.

New faces, exuberant smiles, excitement, and many happy moments were present at the Get Acquainted Party held on September 6, 1972. At the party several skits were performed, cheers were yelled, and competition games were played. The cheerleaders aided by the executive council helped welcome the freshmen into high school and acquaint them with some of the fun activities that may be enjoyed. The party was concluded with a dance in the Nielson Gym where refreshments were served.

Everyone gets involved in Homecoming '72.

School spirit overflowed at Preston High School during the week of Homecoming. Pep rallies, window painting, hall decorating, and the assembly helped increase the enthusiasm throughout the school. On Friday, September 29, 1972, the annual Homecoming parade took place with the Homecoming game between Preston and Soda Springs following that night. A successful Homecoming dance was held Saturday night.

Beautiful Homecoming queens from recent years enhance the splendor of Homecoming 1972.

Seventy-six trombones led the big parade.

"Quit it Debbie, you're just making it worse."

The streets of Preston carried on the spirit of Homecoming.

The seniors displayed their talents by entering the first place float,

Juniors' efforts were evident in their third place float.

Kathy Buttars reigned over the festivities of Homecoming 1972.

Second place in the float competition was awarded to the F.F.A.

"... because we're rough, we're tough, we're rough and we're tough."

Lighthearted comedy hits Preston High in school play.

Preston High students were delighted by the school play, "It Couldn't Happen To A Nicer Guy." The hilarious comedy was written by Mr. Donald Wyckoff, a former student teacher at Preston High. The play showed, in a very humorous manner, the trouble one guy had as he attempted marriage. Members of the cast included: Connie Baker, Polly Leonard, Mrs. Lynn Bodily, Susan Bodily, Kelly Smith, Rex Barrington, Scott Herd, Joe Larsen, Mike Chatterton, and Richard Larsen.

"Don't you want to marry her, Mike?"

"If you don't get out, I shall be forced to hate you!"

"What are you doing under there?"

REX - The man on the move!

Numerous slaves were available on Slave Day.

A new activity proved to be a success this year as traditions of the old South came to Preston High. The activity was a slave day where girls were auctioned off to the guys to serve as a slave for the day. Selling prices ranged from 25¢ to \$7.00 with all proceeds going towards new band uniforms. Arm bands were worn by the slaves to show ownership and many jobs were performed by the poor slaves. Slave day came to a close with an assembly at which Abraham Lincoln freed the slaves from bondage.

"At least it's a living."

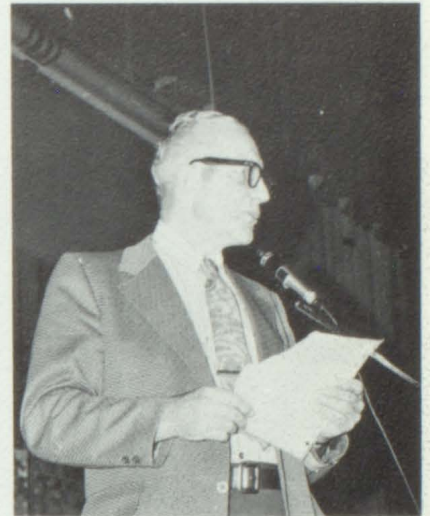

"There's got to be a limit!"

"You've got to be kidding!"

Arm bands showed ownership throughout the day.

"As a slave, I have been asked to say a few words . . ."

"Going, going, gone."

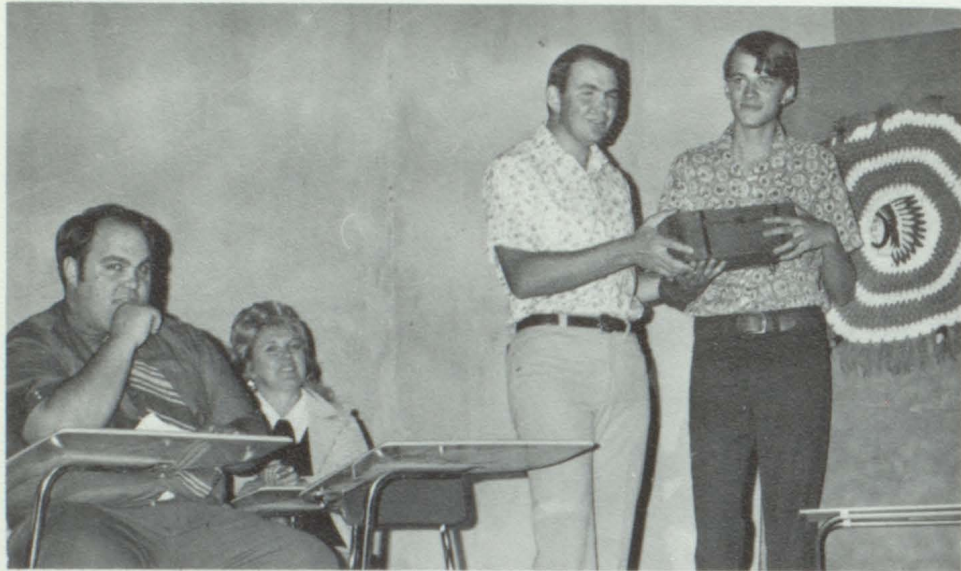

"She may be small, but she's a good worker."

"Look, I suckered a senior into buying me!"

"What kind of teachers do we have at this school?"

"Richard, the Happiness Box rightfully goes to the class of '73."

"Come on you guys, have a little respect for your bus driver."

Articulate planned assemblies captivated student interest.

Filled with an infinite number of new ideas, Preston High School housed many fun and interesting assemblies. The different classes along with the clubs and organizations sponsored assemblies to accompany different dances and events. Pep assemblies were enjoyed by students nearly every week that a sports event was scheduled. Participating in the assemblies were students and faculty members and sometimes alumni.

Heap Big Chief sayum, "Preston Injuns are number ONE!"

Hello Dolly entertained school and community.

A fantastic opera was performed by the talented students of Preston High School. The opera was the sensational Broadway hit "Hello Dolly". The hilarious musical comedy was about a Mrs. Dolly Levi who played matchmaker plus a hundred and one other things for everyone and anyone in the New York area. The story takes us from Yonkers to New York where Dolly finds matches for two of Horace Vandergelders employees and his niece, Ermengarde. While accomplishing this Dolly finds love herself and ends up marrying the prominent and well-to-do Horace Vandergelder.

"Dolly will never go away again!"

"Don't try to stop me, Horace."

"Y-You stamped, Mr. Vandergelder?"

"You're lookin' swell, Dolly."

Before the parade passes by . . .

"Mr. Vandergelder, are you really going to get married again?"

"Can't you weep a little faster? You're throwing me off step."

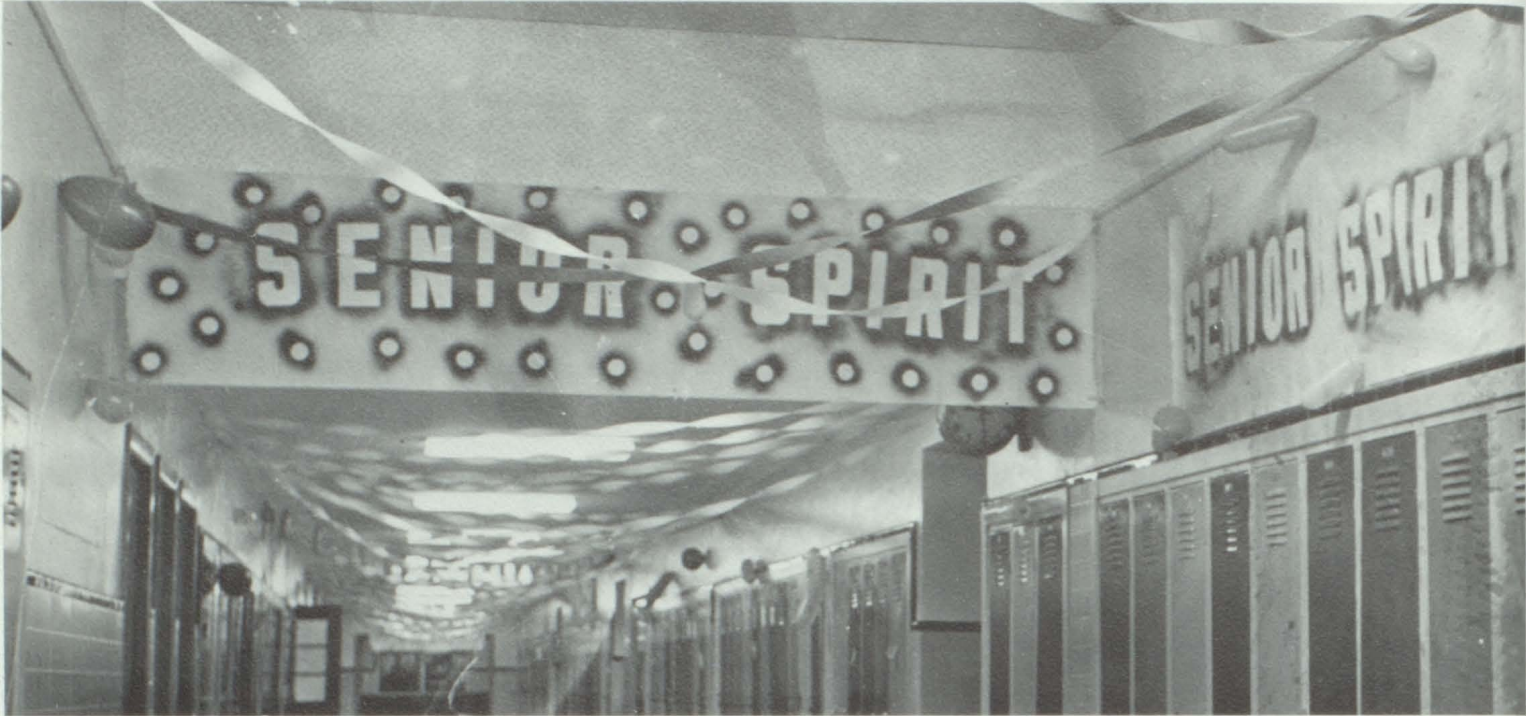

"It takes a woman . . ."

"No, Minnie, I don't love Horace Vandergelder."

Seniors experienced the joys and sorrows of their final year.

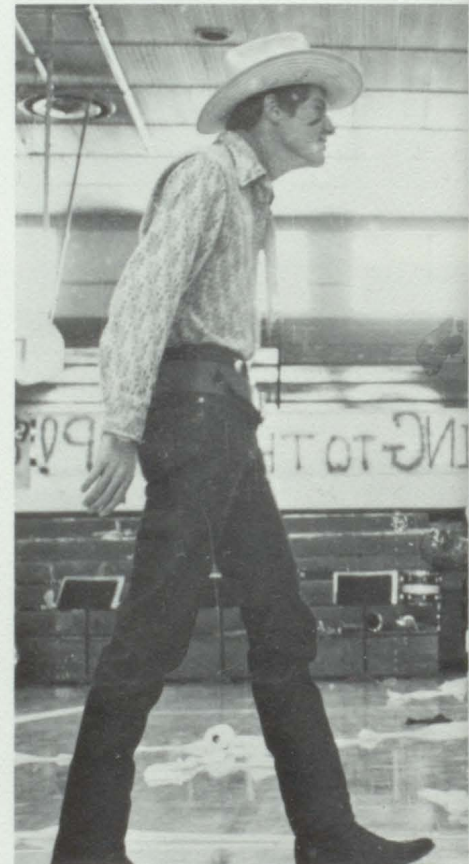

"We're finally SENIORS", was the thought in many minds of the seniors as they encountered their last year of high school. Many accomplishments spotted their last year in school. They received various awards during the Homecoming celebration including first place in the Homecoming parade, and they also placed first in the Snow Carnival. Hard work and much planning produced an elegant Senior Ball in November which was accompanied by the Senior Assembly. All in all the seniors had a very successful year and left with many precious memories of their days at Preston High.

The senior's spirit at Homecoming was shown in their hall decorations as well as at the game.

"Golly, Larry, who does your hair?"

"Now you've had it!"

Seniors worked hard in preparation for the Senior Ball.

"Clair, are you sure you know where you're going?"

Special refreshments added to the splendor of the Senior Ball.

"Forward, back, twinkle . . . and what?"

Oh this dancing, what a thing it is!

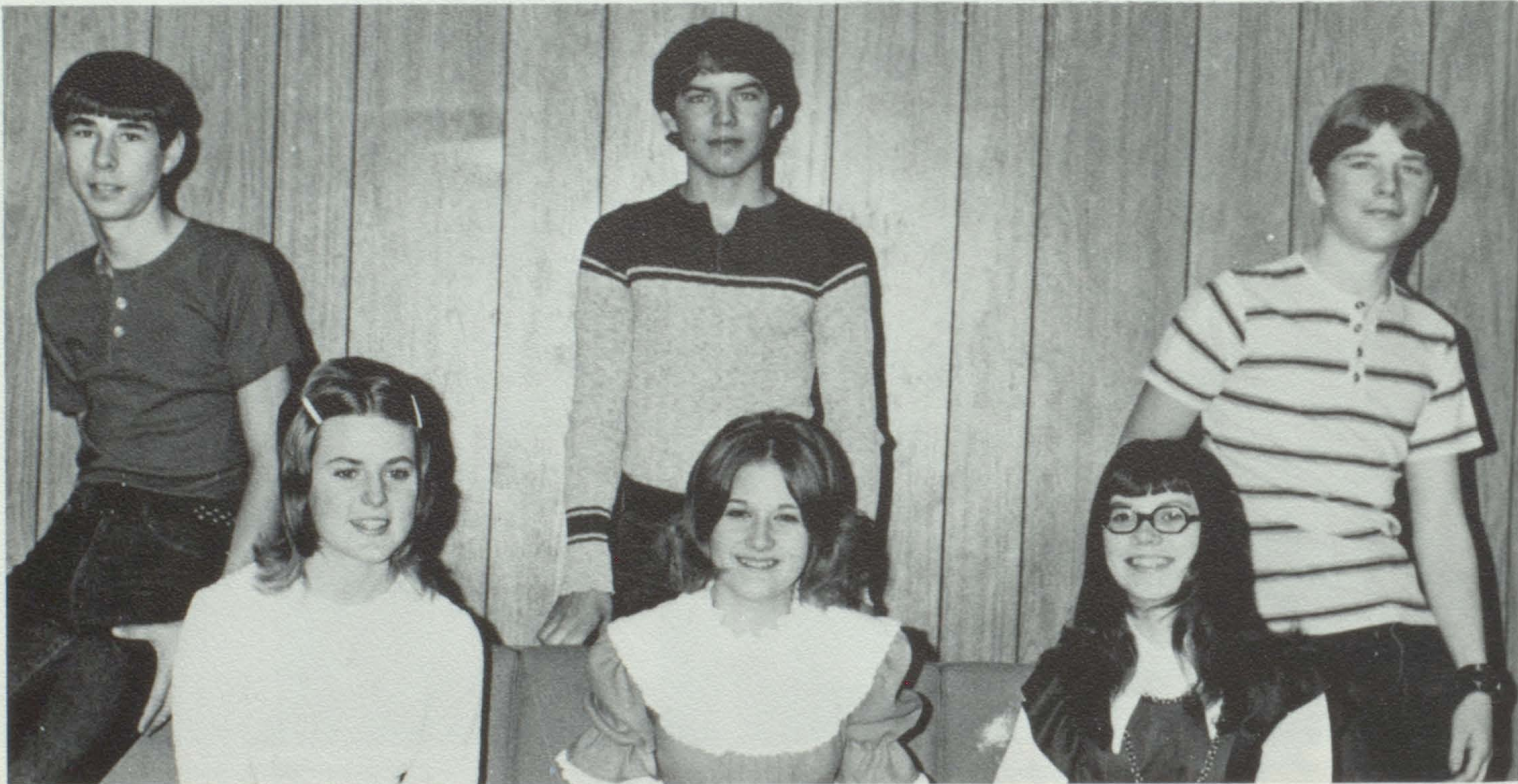

Freshmen gain experience while having fun sponsoring a dance.

Freshmen entered into the routine of high school life by sponsoring their first dance on October 10, 1972. "Run to Me" was the theme of the dance. Reigning king and queen of the dance were Kyle Winward and Sharon Nichols with Jay Heusser, Diane Drury, Clayton Moser, and Sandra Hull as their attendants.

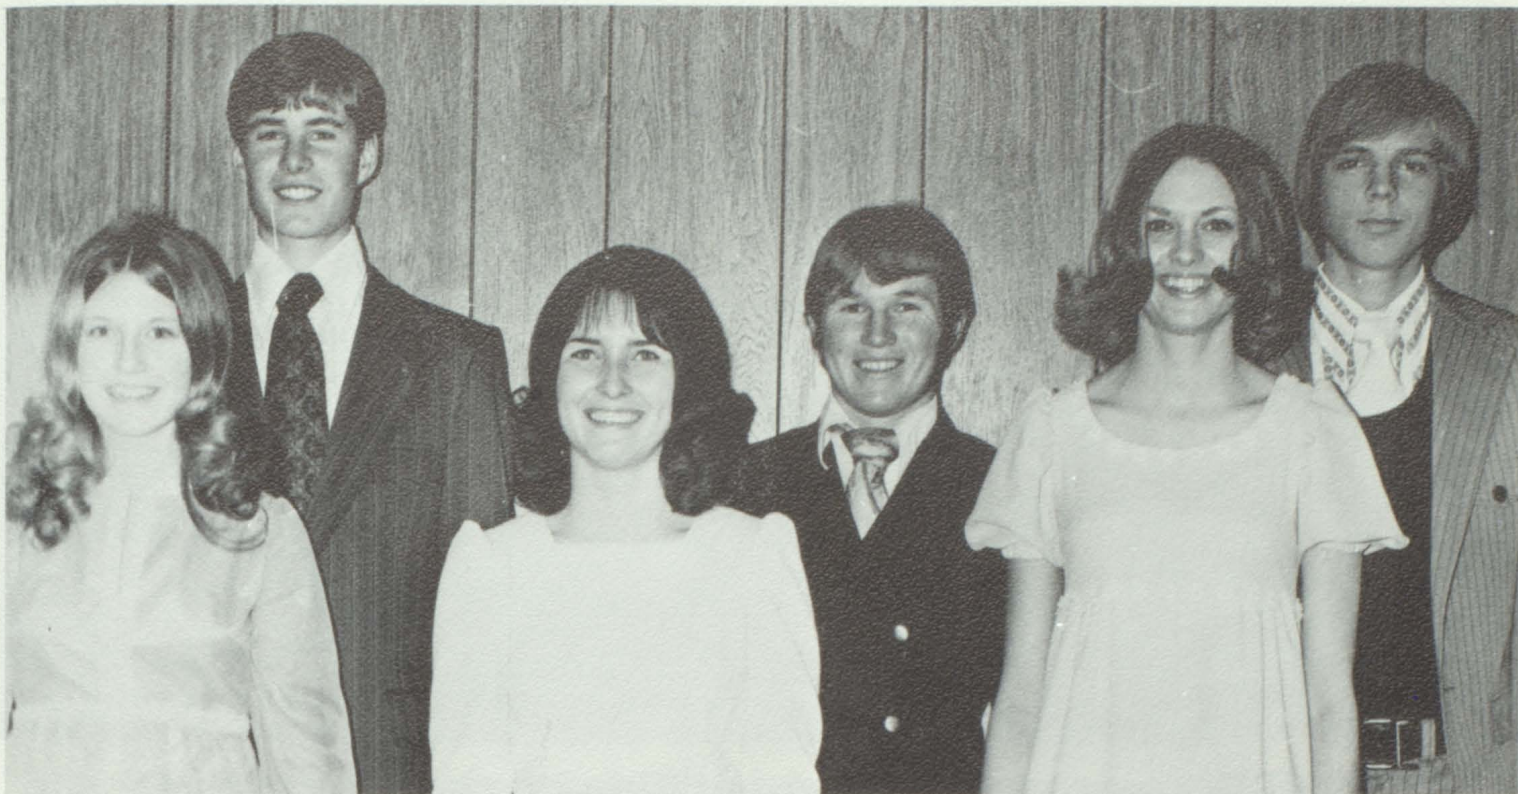

Sophomore Dance was enjoyed by all.

The last night of March was the night the sophomores chose to hold their dance. The theme for the evening was "Don't Expect Me to be Your Friend". Sophomore king and queen were Randy Lowe and Cindy Harward. The attendants were Jon Maughn, Tina Bowles, David Fryer, and Dawn Hyde.

Juniors show talent and creativity while sponsoring their first formal dance.

Friday, the 13th of April, proved to be a very lucky night for the juniors. Elegance and richness flowed through the gym as the annual Junior Prom was held. Junior couples danced to the theme "Pieces of April" during the floorshow. Reigning royalty for the dance were Zan Bowles, king; Rhonda Chatterton, queen; Dana Winward, Carol Brenchley, Jay Johnson and Roxanne Hansen as attendants.

Formals, flowers, and elegant decorations were all part of the Senior Ball.

"I'd Love You To Want Me" was the theme for the Senior Ball held on November 10th at the Oakwood Gym. An elegant evening was enjoyed by all those who attended the dance. Royalty for the evening were Millie Olsen and David Johnson, queen and king, with attendants Frank Caspersen, Karen Fackrell, Jeff Balls, and Karen Spackman.

A successful week of Homecoming celebration was topped off with the Homecoming Dance.

On September 30, 1972, Preston High School held the Homecoming dance. The high school gym was decorated to the theme of "Happiness Is . . .". Kathy Buttars reigned as queen of the celebration with Sannette Jepsen and Jane Johnson as her attendants.

EveryBUDDY was busy finding buddies for their buddies for the Buddy Dance.

Late in October the F.H.A. held their annual Buddy Dance. The tradition of a girl's buddy asking a boy to go with the girl was carried out and resulted in a night of fun. The theme of the dance was "Knights in White Satin" with the buddies being Mike Chatterton, David Beckstead, Wayne Fellows, and Guy Hollingsworth.

F.F.A. reaped a bounteous Harvest Ball.

Prizes, a carnival, and dancing were some of the sights at the Harvest Ball held on November 22, 1972. The FFA sponsored the dance and selected "Ben" to be the theme of the dance. JoAnn Jepsen was chosen Sweetheart of the Harvest Ball. Her attendants were Sannette Jepsen and Julie Swainston.

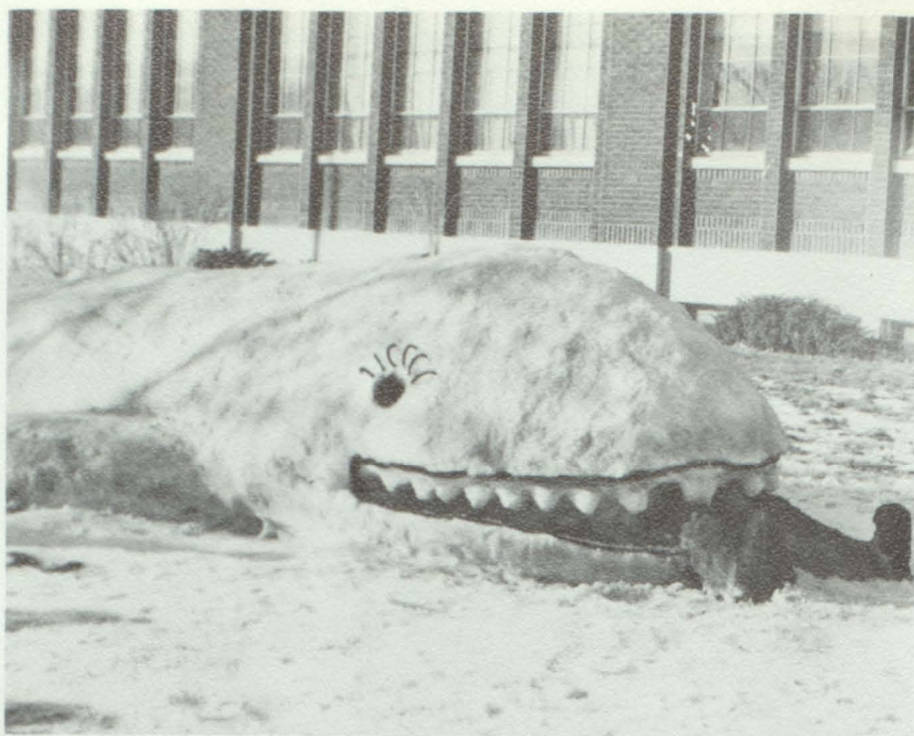

Christmas Dance instilled Christmas spirit throughout the school.

Sponsored by the Phi-dels, a successful Christmas dance was held in the gym of the Oakwood Elementary with the theme for the night being "Silver Bells". Reigning Snow Queen and King were Cydne Hansen and Sidney Atkinson with attendants Karen Owen, Jane Taylor, Gary Sparrow, and Larry Nash.

Students enjoyed a day of fun in the snow while participating in the Snow Carnival.

A Snow Carnival was held at Preston High this year for a second time. Everyone was let out of school on the afternoon of February 8th to have fun in the snow. Entry fees were paid by many clubs and classes, each competing to make their sculpture the best. Cash prizes were awarded at the end of the contest with the first place prize going to the seniors. Tied for second place were the German and the Ski Clubs. Third place prizes went to the juniors and the Spanish Club.

It took a senior whale to win first place.

Mexican traditions were evident in the Spanish Club's third place sculpture.

Skiing his way to victory was Snoopy in the Ski Club's second place sculpture.

Juniors tied for third place with the clever theme of the lion and the lamb.

Creativity was shown by the German Club as they tied for second place.

Willpower and determination were exhibited by the Football Team.

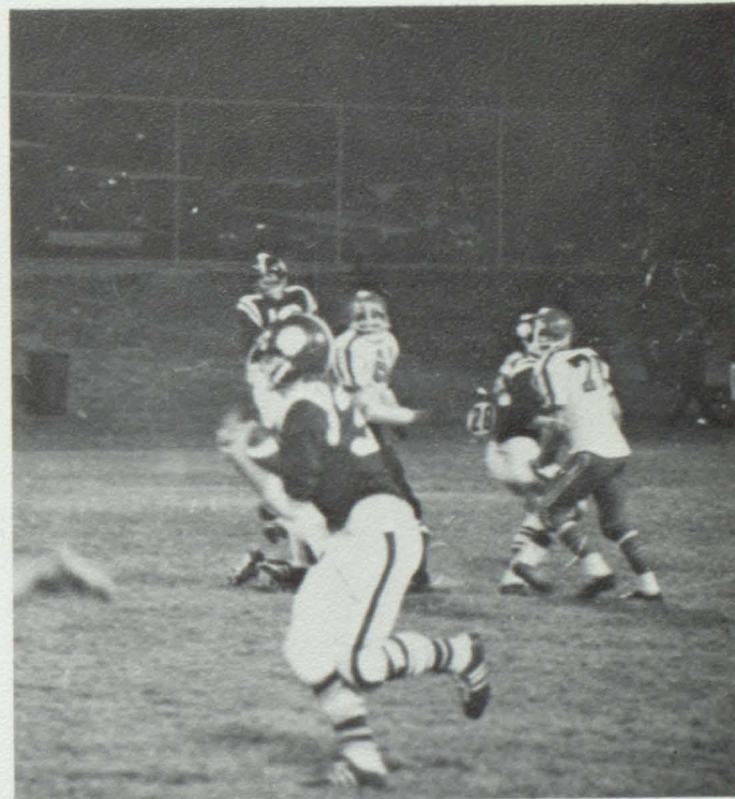

The football captains, Frank Casperson, Craig Jensen, and Jeff Balls, helped to instill the desire and enthusiasm for good team work throughout the '72-'73 season.
